October 1st, 2025

Dear Sithu Soe,

I am pleased to inform you that you have been accepted into the *Collegiate Science and Technology Entry Program (CSTEP)* at BMCC for the 2025 Fall semester.

CSTEP is a rigorous research program where you will engage in faculty-mentored scholarly research. By accepting this appointment, you are agreeing to diligently complete the research-related activities assigned by your mentor. This program requires you and your mentor to work together on your chosen project for the **entirety of the Fall 2025 session**. You will be required to complete a poster presentation at the BMCC Annual Research Symposium (BARS), which will be held on May 20th 2026 along with required workshops hosted by the Office of Research. Other activities may also be required of you. If you are interested in presenting your research at an off-campus event, you must contact your mentor for approval.

Orientation will outline the expectations and benefits of being a CSTEP recipient at BMCC.

For full participation and successful completion of the program, students will stipend amounts totaling $1500.

Please sign and return this document to the Undergraduate Research Program Coordinator, Ayat Agha, by orientation date (October 8th, 2025).
